HERITAGE OF EXCELLENCE

OUR STORY IN LUXURY OLIVE OILS

We are a family-owned business **based in Ronda**, in the beautiful southern Spain, specializing in early harvest olive oil.

Each year, with great care, we hand-pick our olives at the end of October, ensuring a **delicate process** that results in a **brilliant olive oil**.

Our product has been awarded **the Gold Medal** as one of the **best oils in the world**, offering you an amazing and healthy product, perfect for both gifting and personal consumption.
